

Peach Upside Down Cake

Sharon Hudson

Ingredients:

2 2/3 cup flour
½ tsp. baking powder
½ tsp. baking soda
4 eggs
1 box vanilla pudding
1 cup milk
2 tsp. vanilla extract
¾ cup vegetable oil
5-6 peaches (peeled & sliced)

Directions:

Combine all ingredients, except peaches, to make the batter. After making the batter, add 1 cup diced peaches to the mix.

Using a Bundt pan, first spread 2 tbsp. of melted butter in bottom of the pan. Then, sprinkle brown sugar and cinnamon sugar. Next, arrange sliced peaches, then gently spread batter over top.

Put cake in the oven at 350° for about 45-50 minutes, or until toothpick in center comes out clean. Let cake cool for 10-15 minutes, then invert onto plate.

While the cake continues to cool, mix ¼ cup of melted butter, 1 ½ cups powdered sugar, ½ tsp. vanilla extract, and ½ cup finely chopped peaches. Stir until all ingredients are mixed well and then pour over warm cake.
