

# Pumpkin Spice Pie

Heather Jordan

## Ingredients

1 (6 oz.) package refrigerated pie crusts or homemade pie crust

1 (15 oz.) can pumpkin

1 (14 oz.) can sweetened condensed milk

2 eggs

1 tsp. ground cinnamon

¼ tsp. ground ginger

½ tsp. ground nutmeg

½ tsp. salt

(Can use pumpkin spice if you do not have all the spices)

## Instructions

Preheat oven to 425°F. With mixer, beat pumpkin, condensed milk, eggs, spices, and salt. Pour into pie crust. Bake 15 minutes, then reduce oven temperature to 350°F. Bake an additional 35 to 40 minutes or until knife inserted one inch from crust comes out clean. Cool, serve with whipped cream.
