

## **STRAWBERRY COCONUT CAKE**

Joann Johnson

### **Ingredients:**

- 2 cups of strawberry
- 1 cup of sugar

Cut up strawberries. Put sugar on them and sit aside.

- 1 box of cake mix

Mix according to box. Make in 3 layers.

- 2 eggs whites
- ¼ teaspoons salt
- ¼ cup sugar
- ¾ cup light corn syrup
- 1 ½ teaspoons vanilla

### **Directions:**

In small bowl, beat egg whites and salt until foamy. Gradually add sugar continuously beating until soft peaks form. In small saucepan, heat corn syrup just to boiling. Pour in thin stream over egg whites. Continuing to beat until frosting is stiff. Beat in vanilla. Let cake cool. Put strawberries and juice over cake layers then whites cloud frosting. Then put coconut over frosting. Repeat on all 3 layers. Put in refrigerator until ready to eat.
