

Strawberry Punch Bowl Dessert

Ingredients:

- 1 McLeod Farms angel food cake
- 5 cups McLeod Farms strawberries, sliced
- 1 large vanilla instant pudding mix (1.5 oz.)
- 3 cups milk
- 12 oz. of whipped topping
- Sugar as desired

Directions:

Cut or break angel food cake into pieces and set aside. Sweeten sliced strawberries with sugar as desired. Then prepare pudding with milk as directed on package.

To assemble dessert, layer ½ each of angel food cake pieces, pudding, strawberries, and whipped topping, and then layer again ending with whipped topping. Garnish with strawberries. Chill 2 hours before serving.

A GREAT CHOCOLATE PUNCH BOWL DESSERT!

Substitute brownies for the angel food cake for a delicious change! Prepare brownies according to mix directions. Layer dessert as directed in recipe above. I like to garnish this dessert with crumbled brownie and strawberries.
